WHEELCHAIR ACCESS

Yes

What does the future workforce look like?

- Qualifications, competencies and soft skills
- Consumer perspectives: What are important skills for service providers to have?
- Training options

Presentations:

- VCOSS – Developing a 10 year Community Services Industry Plan-what is next?
- VICSERV - Exploring the changes to the Victorian Community Mental Health workforce in the new NDIS environment: job roles, work models, training and development needs.
- Consumer perspectives

The Western Melbourne Cross-Sector Community of Practice (the CoP) is a network of health, community and disability service providers and advocates, delivering supports to clients in the western Melbourne metropolitan areas. The CoP is an initiative of the Ageing, Disability, Mental Health Collaborative Panel, and brings together different sectors to collaborate and exchange good practice to achieve better consumer-directed care outcomes.

Next Forum:

Engaging hard to reach groups in consumer directed care on Tuesday, 14 August 2018
