Building evidence & shared knowledge

Health Literacy

- Peer mentoring workshops to guide organisations to become more health literate.
- 'Make it Easy', a practical and actionable handbook for organisations.

Workforce Mutuality

- Pilot and evaluation of the Workforce Mutuality Standards and associated tools.

Pathways for Children with Developmental Delay

- Evaluation of the Alliance and the Referral Decision Aid.

Prevention Taskforce

- 'Meaningful Engagement for Social Inclusion': a practice guide to support organisations engage more meaningfully with their communities.

Seat at the Table

- Co-design and co-production process that helped young people from refugee and asylum seeker backgrounds reduce stigma around mental health.

Project Momentum

- Recruitment, training and support for Senior Male Allies to develop strategies to prevent violence against women.
- Recruitment, training and support for a Women's Accountability Panel that approved Allies' project ideas.

connectwest

- Training support for a group of community leaders to establish themselves as connectwest, which now runs independently of HealthWest.
